Hello there,

Thank you for your time in considering my resume, I know time is precious and I appreciate yours.

I am an accomplished professional with a strong track record in all facets of sales, marketing, and reporting. Throughout my career, I've consistently exceeded revenue targets with a broad array of products and services.

Through a balanced combination of "know-how," interpersonal skills, and leadership initiatives, I offer a demonstrated ability to exceed corporate expectations from a business and client-based perspective. I believe my substantial experience, expertise, education, and ability to learn new things quickly will make me a very suitable candidate.

My résumé outlines a successful sales career, but what that means to this position is I am a go-getter. I have a strong work ethic and an eye for accuracy and detail. I would love the opportunity to meet personally, to discuss your needs, and to demonstrate how I can add to your bottom line through my skills, expertise, and experience. You may reach me at **(403) 630-7066** or via email: **suemeyer@telus.net**.

Thank you in advance for considering me. I look forward to speaking with you.

Sincerely,

S. Meyer
